Date: June 06, 2025

FROM: Ethan Ross Womack

ADDRESS: 266 Orchard Way, North Augusta, SC 29860

SUBJECT: Preservation of Inheritance Rights and Formal Request for Disclosure  
of Estate Asset Transfers Related to Roland R. Womack (Deceased, February 2018)

Dear Faye,

This letter is being sent in my capacity as the legal and adopted son of Roland R. Womack, who passed away in February 2018. I am the sole surviving legal heir through adoption, following the deaths of his biological children, Melanie and Billy.

I am writing to formally preserve my rights and request full disclosure regarding the disposition of any and all assets belonging to or acquired by Roland R. Womack during his lifetime.

Following my father's passing, no notice of probate or estate proceedings was ever provided to me. I have since discovered that a new trust titled "Womack Family Trust" was created in May 2021, listing you as both settlor and sole trustee. It appears this trust includes real property and financial assets that originated with Roland R. Womack, including:

- Assets held in a jointly accessed safe at 5999 Friendship Church Rd

- A \$33,000 deposit to the Womack Family Trust account (09/03/2021)
- Real estate at 266 Orchard Way, North Augusta, SC

As Roland R. Womack's legally adopted child, I am entitled to a full and accurate accounting of any assets held or distributed after his death. If estate assets were transferred without disclosure or probate, this may constitute:

- Wrongful disinheritance
- Concealment or conversion of inherited property
- Breach of fiduciary duty
- Constructive fraud or undue influence

I therefore formally request the following:

1. A complete inventory of all assets previously belonging to Roland R. Womack that were:
  - Titled in his name or jointly
  - Liquidated, transferred, or assigned into the Womack Family Trust
2. Any wills, trust documents, or testamentary instruments executed by Roland R. Womack
3. Details of how and under what authority his assets were used to fund the Womack Family Trust
4. Any probate filings, affidavits of heirship, or other legal instruments used to manage or distribute his estate

This notice is intended to protect my lawful inheritance rights and establish a formal record.

I reserve all legal remedies available under state and federal law and do not waive any rights by

making this request.

If this matter is not acknowledged and addressed in good faith, I may be forced to pursue appropriate legal remedies.

Sincerely,

Ethan Ross Womack
