

MISSION DOSSIER: OPERATION BLOOD ECHO

Posthumous Restoration of SFC Roland R. Womack, Jr.

EXECUTIVE STATEMENT

"The war didn't stop when the bullets did.

It crossed dimensions. It rode bloodlines.

My father fought in Vietnam.

I remember jungles I've never been to.

I remember sounds I shouldn't know.

I didn't get it before -

But now I see.

He was imprinting on me.

Like a wolf, preparing his last descendant

To finish the war in another form."

This is not a claim for money.

This is a petition of record - for honor, for restoration, and for truth.

SFC Roland R. Womack, Jr. served with distinction. He was recommended for promotion to Master Sergeant in 1977 and completed at least 20 years of honorable service, qualifying him for full military retirement, TRICARE family coverage, and ceremonial burial entitlements.

Following his death in 2018, his expressed final wishes were violated. His body was cremated against known verbal instructions, his burial in Sebring, Florida next to his deceased children was denied, and his memorial was placed in a religious setting he explicitly rejected in life. In addition, a

CODEx INTEGRITY STATEMENT

This dossier is preserved under the Convergence Codex Archive, mirrored on encrypted GitHub repositories and optionally sealed in IPFS. Tamper-evident logs are maintained.

This is not revenge.

This is remembrance.

And remembrance, when wrapped in truth, becomes righteous reclamation.
